Suicide After Beatie Quarrel

FENELON FALLS (Special) — A 56-year-old man shot himself to death following a quarrel over Beatie haircuts, a coroner's jury decided here Tuesday.

The jury ruled that Gerald Hughes, of Burnt River, 10 miles north of here, shot himself while emotionally upset as a result of heavy drinking and an argument with his school-teacher wife about one of her pupil's Beatie haircuts.

Mrs. Hughes said that while she prepared supper on March 17, her husband drank two glasses of brandy and began "ranting and raving" about the Beatie haircut he had seen on a pupil at the school.

He said a pupil shouldn't be allowed in school with a haircut like that," said Mrs. Hughes.

United Church Purchase New Organ

On Sunday morning last the congregation of the Haliburton United Church unanimously approved the purchase of a beautiful Baldwin organ. The congregation have needed a new organ for quite some time and after listening to the tone of this beautiful instrument we feel that members of the United Church should highly commend the Organ Committee on their choice.

Citizen's Comments

On Community Centre Vote this Saturday, May 2nd.

LES SCHEFFEE

Lumberman, Haliburton — The need for this Community Centre is great and I am very much in favour of this project.

DONALD FINN

Lawyer, Haliburton and Minden — This is a great project. With a building of this kind available I would like to see a yearly Sportsmen's Show started in the County.

RON SISSON

Contractor, West Gullford — Because of the necessity of a Centre, particularly for the young people, I am much in favour.

REX BOICE

Motor Truck Dealer, Haliburton — I am in favour. The cost to the taxpayer will be insignificant in comparison to the good the new Centre will do for the whole Municipality.

WALTER BESSE

Merchant, Eagle Lake — This will be a good thing for the Municipality. Under proper management it should have no trouble paying its own way.

CARL SAWYER

Mechanic, West Gullford — I am strongly in favour of the new Centre. It will provide a wonderful opportunity for all our young people.

RON MUMFORD

Harcourt — I am 100% in favour of this project. This spur to development is a wonderful thing for the Municipality.

KEITH CARNOCHAN

Barber, Eagle Lake — This proposed new Centre will be a wonderful thing for the Municipality — particularly the young people.

FRANK HODGSON

Insurance and Real Estate, Haliburton — The addition of fine municipal recreational facilities will make the Municipality more attractive to industry and prospective home owners.

C. G. PEARCE

Cottage Owner, Kashagawigamog Lake — The new arena sounds like a wonderful idea to me. A more attractive place is certainly needed, particularly for Rotary Carnival.

WHAT MINDEN COUNCIL DID

A meeting of the Anson, Hindon and Minden Council was held in the Registry Office on Wednesday, April 22 with all members present.

The road superintendent was instructed to investigate the water run off, off the Ingoldsby road at Milligan's corner into the open field causing flooding of the private road into Ken Banton's property, and advise what measures are required to overcome these conditions.

The clerk was authorized to send an invoice to Gap Construction Co. for \$185.00 to cover cost of sidewalk repairs as per 1963 agreement, and also an invoice to cover account of Mr. James Elder for water line damage as paid by the municipality.

Accounts were paid amounting to \$1,109.00.

Permission was granted to Mr. Hugh Alton to open a trailer camp at his property on Hwy. 121, 5 miles north east of Minden.

Council approved light installations, from Jim Graham's to the Hospital and Catholic Church, as well as a spot light installation over the Minden Village sign at the by-pass.

Council adjourned until called by the reeve.

Garnet Lytle Highly Praised For Hard Work With Minden C. C.

Garnet Lytle, president of the Minden Curling Club said on Friday night that many split second decisions had to be made this past winter for the smooth running operation of the club. He was addressing over 130 club members who had gathered at Deer Lodge near Haliburton for the Minden Curling Club's annual banquet. Mr. Lytle went on to say that although some of these decisions might have seemed wrong at the time that they were always carried out for the majority. He said that the Club were faced with many problems at the beginning of the year but as time went on these problems were ironed out for a successful operation. In closing Garnet complimented Shirley Bush on the

fine job she had done as president of the Ladies' Curling Club and thanked her for the co-operation he had received from her during the curling season.

Seated at the head table were Mr. and Mrs. Garnet Lytle, Mr. and Mrs. Jack Eastwood, Mr. and Mrs. Mark Vasey, Mr. and Mrs. Earl Bush, Mrs. Lorna Stubbs and Mr. Bill Gordon.

COMPLETES JR. YEAR

Joan Deterling, Wilberforce, who is a student at Kemptville Agriculture School has received word that he has successfully completed his Junior year.

Minden's New 5c To \$1.00 Store Opens This Mon May 4

The grand opening of the Minden 5c to \$1.00 store is all set for this Monday, May 4th at 10 a.m.

A disastrous fire on Christmas Eve last year completely destroyed the Minden 5c to \$1.00 store leaving only a pile of ashes and rubble. Owner Ken Currie who has worked in the variety store business nearly all

of his life started work immediately following the fire to build this present modern store.

The new store has a 5,000 sq. ft. shopping area with a stock room at the back 25' by 56'. The complete building is 52' wide by 125' long.

The store will be run by Mr. Currie and Ervin House will again be the assistant manager of the new store. Mr. House has been in the Stedman Store in Lindsay as the assistant manager since the fire. Six local girls will be on hand to give you first rate service on the large assortment of articles on display. Mr. Currie informs us that sensational savings on sale at 10 a.m. Monday while they last.

The Echo wishes to take this opportunity to wish Mr. Currie the best of luck with his new store. Be sure to be on hand this Monday morning, May 4th at 10 a.m. for the grand opening.

Dysart To Vote On Saturday

Dysart voters will go to the polls on Saturday to render a verdict of the question of a new arena.

Locations of voting places are as follows: Haliburton - Canadian Legion Hall; West Gullford - Orange Hall; Harcourt - Community Centre; Donald - Community Centre; Eagle Lake - Public School.

Polls will open at 10 a.m. and will remain open until 6 p.m.

A record of continued good service to his community and the sustained support of his customers earned Haliburton IGA dealer Danny O'Neill and his wife, Betty, an expense-paid trip to Nassau in the Bahamas.

Mr. and Mrs. O'Neill attended a six-day IGA conference in Nassau on human relations and community service. The conference was sponsored by The Oshawa Wholesale Limited, Toronto, IGA supply depot in central Ontario.

Well Known Business Sold

We are informed by Mrs. Olga Black that she has sold the business known as H. J. Black Hardware Store to Mr. H. J. Langdon and Son of Stratford. At present the business has been closed for stock taking but will reopen May 1st.

The Echo joins with other citizens in extending a welcome to these new citizens and trust that they will find living in this community to be a pleasure, also that they will enjoy successful careers and will not regret their decision to locate in this area.

We understand that the new owners will continue to operate

the business along the same lines as at present.

LETTERS to the EDITOR

April 20, 1964
638 Lynbrook Avenue
Tonawanda, New York

Mr. Berkeley Feir, Editor
Haliburton County Echo
Post Office Box 360
Haliburton, Ontario.

Dear Mr. Feir:

This afternoon we received our copy of the April 16, 1964 edition of the "Echo", which prompted us to write this letter to the editor. We have a three fold purpose in writing this as a "letter to the editor".

First, we would like to congratulate your entire area for the attractive Legion Hall that you have. It is something that you certainly can be proud of. In all of our travels north of Toronto, we do not know of a more attractive and functional building. After being a guest in the Legion Hall, we know that our selection of your area was a wise choice on our part, because it showed us the community is progressive and has given thought to the future.

Secondly, we would be amiss if we did not thank all of you who were kind enough to take time out of your schedule to attend the meeting. The marvelous turnout was a source of great satisfaction to Mr. Taft, Mr. Albert and myself.

Last but not least we would like to correct the answer to one of the questions presented at the meeting and which appeared in the write up of the meeting, in to-day's paper. So that there will not be any poss-

ible mis-interpretation of our intent, the question, "Would our high school students be permitted to use the ski runs?" Our answer was intended to be listed as the following. "We will permit the high school students to use the ski hill, and the rental charge would be a nominal charge". The reason for the charge is that any organization that is in business to make a profit must charge for the use of its equipment and/or

Minden Curling Club Hold Annual Meeting

The Annual Meeting of the Minden Ladies' and Men's Curling Clubs was held at the Minden Curling rink at Minden on Sunday night last at 8 p.m. Forty members from both clubs were in attendance.

The following business was discussed:

It was decided that the fee for a life membership for this year will be the same as before, \$25.00. But it was noted that next year this fee will be raised to \$50.00.

Dues have been set for the 1964-65 season: Men \$30.00 and Ladies \$12.00, subject to a discount of 10% if paid by December 1st, 1964.

The following rule changes have been made: All games must be played on dates scheduled or the game must be forfeited by the defaulting club.

All schedule play-off games begin at 7 p.m. sharp and must start on time regardless of the number of players present.

The Ladies' Club turned over \$1,000.00 at this meeting to the Men's Club. This money was all made during the past season.

Votes of thanks were given to the following people who had worked so hard for the club in the past curling season: Garnett Lytle, President; Jack Eastwood, Vice President; Shirley Bush, President of the 'Ladies' Club; John Johnston and Bill Gordon, bar committee. A week long summer bonspiel will be discussed at a special meeting to be held at the Curling Club this Sunday night at 8 p.m.

Rotary News

This past week-end a number of local Rotarians travelled to Parry Sound to attend the Annual Conference and Assembly of Rotary District 701. Incoming Club presidents and secretaries are expected to attend and all Rotarians and their wives may do so.

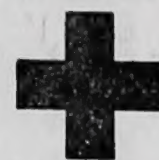

This year's conference, hosted by the District Governor's home club, was housed in the Brunswick Motel. Rotarians from 29 clubs in Ontario and Quebec attended. Rotary International was represented by Director

Pat Gilchrist from N. Carolina. Among the guest speakers were the Hon. Marcel Lambert (speaker for the Last Government) and a Rev. Norman Rawson from Montreal.

Jack Robertson, secretary of the local club, participated in a panel discussion and ably represented Haliburton.

Last Thursday the Haliburton Rotary Club viewed slides of Europe and Britain presented by Dr. H. E. Good and Rev. N. McNeill. This week club business will be discussed and the Board of Directors will meet.

CHURCH NEWS

CHRISTIAN SERVICE BRIGADE

Christian Service Brigade is a Church sponsored and Bible centred Boy's Club. It is somewhat similar to Boy Scouts, and is in two divisions, namely, Stockade for boys 8-11 years and Brigade for boys 12 years and up. Brigade has been a part of the ministry of Minden Gospel Church from the beginning of our work; and has an average weekly attendance of about 20 boys.

Christian Service Brigade has a comparatively short history. It began with 12 boys and a leader in a Church basement, in December 1937, in Glen Ellyn, Illinois. From that small start it has seen almost phenomenal growth. It has become International in scope, covering most of North America and also a number of foreign countries; and is the accepted Boy's Program in many denominations.

Christian Service Brigade sponsors a number of first class Brigade Camps, including one near Haliburton, on what is known as Bass-haunt Lake. It also sponsors a Leadership Training Camp in Northern Michigan.

Recently Christian Service Brigade sponsored a number of Career Conferences, one of which was held in Toronto, at Calvary Church, on Pape Ave., making use of their very fine three-story Christian Education Building. Our Brigade Captain, Mr. R. J. Wunker, and three of our Brigade boys attended this splendid conference and reported great blessing and encouragement through the various speakers and Boy's leaders. There were some 300 boys and 150 men gathered for a very concentrated program on Friday night and all day Saturday.

Our Church also has a similar program for girls known as Pioneer Girls in three groups,

namely, Pilgrims, Colonists and Explorers with a similar average attendance.

Monday, May 11th, is to be a great day for the Women's Organization of our Church, when the Women's groups from our Eastern Ontario Associated Gospel Churches will be meeting at Minden Gospel Church. This is to be the annual Women's Rally held in a different area each year. Women are expected from Kingston, Smiths Falls, Peterborough, Coe Hill, Pefferlaw, Port Bolster, Bloomington, Corson's Siding, etc. The evening meeting will be open for all.

MARTHA GROUP U.C.W.

The Martha Group of United Church Women met in the Church Hall on April 14 with Mrs. Lazier presiding. She welcomed all the members and the visitors from other places in the County.

The devotional period was taken by Mrs. Arnold Coulter and Mrs. L. Coburn, accompanied by Mrs. N. Ward, sang several solos. Mrs. Coburn extended a fine welcome to the speaker of the evening, Miss Werner a missionary, who is home on furlough from Trinidad. She gave a very colourful talk with coloured slides on her work in this field.

Mrs. Herlihey very fittingly thanked the speaker for coming and giving such a fine talk.

The meeting closed with the Mizpah Benediction and a social half hour followed.

DRO - Lawrence Morrison
Poll Clerk - Mrs. Sid Sisson
Polling Subdivision No. 5 — Polling Place - Pub. School, Eagle Lake
DRO - Carl Wallace
Poll Clerk - Thos. Mungham

And further take notice that the Clerk has appointed the 1st day of May 1964, at the Municipal Office, Haliburton for appointing two persons to attend at the final summing up of the votes by him and one person to attend at each polling subdivision on behalf of the persons interested in and desirous of answering the said question in the affirmative, and a like number of the persons interested in answering the question in the negative, respectively.

And further take notice that the Clerk will attend at the Municipal Office, Haliburton, on the 4th day of May 1964 at 2:00 o'clock in the afternoon for the final summing up of the votes.

Notice is further given that the question to be submitted on the above shall be as follows:

"Are you in favour of a by-law to authorize the construction of an Arena and Community Hall on Block C, Town Plot of Haliburton, for the sum of \$110,000.00 a portion of which in the amount of \$44,700.00 is to be raised by the issue of Debentures in favour of the Province of Ontario Municipal Works Assistance Act 1963?"

The proposed by-law is as follows:

MUNICIPALITY OF DYART ET AL BY-LAW NO. 64-9

Being a by-law to authorize the construction of an Arena and Community Hall on Block C, Town Plot of Haliburton in the Municipality of Dysart et al.

WHEREAS the Corporation of the Municipality of Dysart et al has agreed to construct an Arena and Community Hall within the limits of the Village of Haliburton for the sum of ONE HUNDRED AND TEN THOUSAND DOLLARS (\$110,000.00).

AND WHEREAS, it will be necessary to raise the funds necessary to pay for the construction of the same by the issue of debentures on the credit of the Municipality of Dysart et al in the amount of \$44,700.00 payable over a twenty-five year term.

AND WHEREAS it is deemed expedient that the cost of the project shall be paid by the issue of debentures as aforesaid repayable in annual instalments as equal as may be in each year over a period of twenty-five years at a rate of interest not to exceed 5 3/8% per annum.

NOW THEREFORE the Municipal Council of the Municipality of Dysart et al enacts as follows:

1. The Council of the Municipality of Dysart et al does hereby authorize the construction of an Arena and Community Hall for the sum of ONE HUNDRED AND TEN THOUSAND DOLLARS (\$110,000.00).

2. The Clerk-Treasurer may, subject to the authorization of Council arrange with the Bank of Montreal in Haliburton for a temporary advance or advances of money to pay for the construction of said Arena and Community Hall.

3. Debentures shall be issued by the Corporation of the Municipality of Dysart et al in the amount of \$44,700.00 and shall be repaid in annual instalments of principal and interest (at a rate not to exceed 5 3/8%) combined over a period of twenty-five years and shall be as nearly as possible equal in each year. The said debentures shall be issued on the credit of the Corporation of the Municipality of Dysart et al at large.

4. This by-law shall come into force and shall take effect upon the final passing thereof after the same has been approved by the Ontario Municipal Board.

READ A FIRST AND SECOND TIME ROY BROHM, Reeve
THIS 13TH DAY OF APRIL 1964 WAYNE B. WOOD, Clerk

And further take notice that if an affirmative answer is given to the said question by the majority of ballots cast the by-law will be taken into consideration by the Council of the Municipality of Dysart et al after the expiration of one month from the first publication of notice, the 16th day of April 1964.

And notice is further given that a covenanted tenant whose lease extends for twenty-one years and who has covenanted to pay municipal taxes on his property and who desires to vote on the said by-law must file a statutory declaration with the Clerk at least ten days prior to the date of voting.

Dated this 13th day of April 1964.

WAYNE B. WOOD, Clerk.

I, Wayne B. Wood, hereby certify that the above notice contains a true copy of the By-Law to be voted upon by the electors of the Municipality of Dysart et al qualified to vote on money by-laws on the 2nd day of May 1964.

Dated this 13th day of April 1964.

WAYNE B. WOOD, Clerk.

Posters To Illustrate Traffic Safety Tips

Traffic safety is going back to the old drawing board for the next two months.

From the doodles of the very young to the swift strokes of the professional artist, the campaign against accidents will be dramatized on original posters in all parts of the province. The poster drawings will be created for an unusual project sponsored by the Ontario Department of Transport, involving nearly \$5,000 in prizes and awards.

The Department has invited entries, on any aspect of traffic safety, in three categories. Deadline for entries is June 15.

In announcing the project, Transport Minister Irwin Haskett said it was intended to serve a double purpose in the continuous province-wide battle against traffic accidents: to increase personal awareness of the need for traffic safety on the part of those who enter, and to provide a variety of original poster designs that could be used by the Department of Transport in future safety activities.

Anyone may enter the "open" category, he said, and their posters could illustrate any aspect of traffic safety tips for school children, for example or the importance of automobile safety checks or the hazards of bad-weather driving.

These are the categories of the competition and exhibition:

1. Open to all residents of Ontario, including professional artists, art students and designers; Cash awards of \$1,000 for first prize, \$500 for second, \$250 for third, \$100 for fourth, and ten awards of \$50 each.

2. Secondary schools: Awards of \$50 each to the 25 schools from which the best entries are submitted.

3. Elementary schools: Awards

of \$25 each to the 50 schools from which the best entries are submitted.

Arrangements for the school categories were worked out in co-operation with the Department of Education. The best safety pictures from the schools will be placed on exhibition after the close of the project.

In all categories, there is no limit of the number of entries that may be submitted by an individual.

1964 Brook Trout Season opens 12:01 a.m. Friday, May 1, 1964

PART OF BRUTON TOWNSHIP TO BE CLOSED TO ANGLING IN 1964

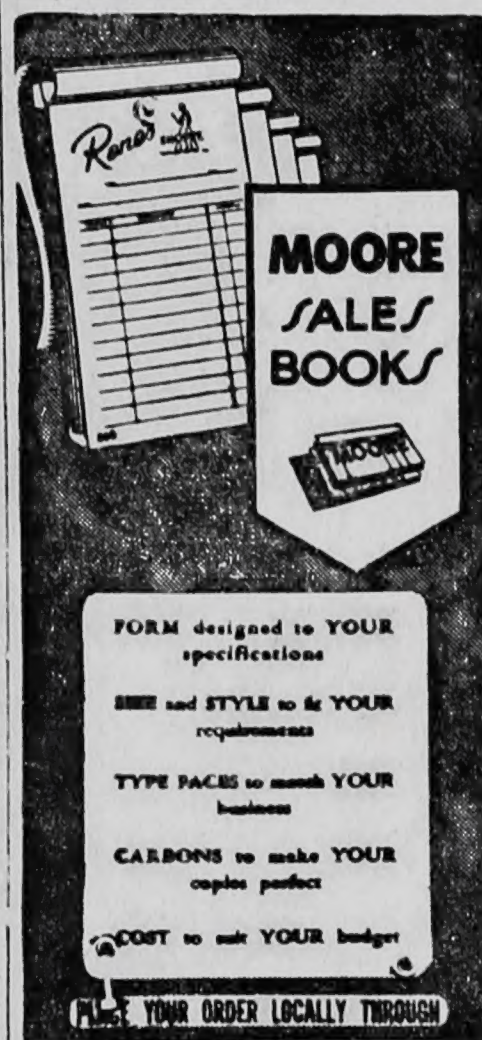

Effective May 1st, 1964 the entire eastern part of Bruton Township will be closed to angling for this angling season only. This closure is being imposed for research purposes. The area under closure will be those waters located in lots 15 to 33 inclusive in all concessions (I to XIII) of the township with the exception of Kingscote Lake. It is expected that from the 1965 angling season on, fly-fishing only will be the rule in this area.

For many years the waters of the York River drainage system in Bruton Township provided excellent brook trout angling. In the early days hatchery fish plantings were not made in this area but as the angling pressure increased in the post-war years and fishing success began to decline it was felt necessary to make hatchery fish plantings to supplement natural produced stock.

In the meantime changes, both striking and subtle, have taken place in these waters over the years. Some of these are siltation and deposition of silt over the lake bottoms, increase in beaver population (and their dams), entry of or increase in populations of yellow perch, suckers and other rough fish which have upset the species composition in the lakes.

With the creation of the brook trout unit in the Research Branch a few years ago and following the addition of Bruton

Township to Algonquin Park in 1961, this area suggests itself as a natural for brook trout research which to date has been centred chiefly in the vicinity of the Harkness Laboratory at Lake Opeongo and Whitney. In time the findings from such research should pay off in terms of better angling for more anglers.

Meteor owners use their garages for storing tools, ladders, baby buggies, bicycles, toboggans, etc.

(Well, you wouldn't hide a beautiful car like this in a garage, would you?)

Beautiful—yet every inch is practical. For instance, push that button on the dash. Look in the rear view mirror. Meteor's Breezeway rear window is gliding down. Lower it just a little to counteract misting. Lower it the whole way for lots of fresh air—without that wind-tunnel effect. And because the rear window slants inward, weather can't get at it... can't

obscure your rear vision, summer or winter. Meteor's size is beautifully right, too. It's a full 215.5 inches long (take six giant steps.) It's wide (two giant steps). You enjoy a smoother, more stable ride, and far easier handling. And the interior is as big as the feeling you get when you drive a Meteor.

Think of this long, beautiful car in your

driveway. (And think of all the stuff you'll be able to store in your garage!) Now go and see your Mercury dealer.

New Arena and Community Centre Tweed, Ont

Citizen's Comments

LES SCHEFFEE
Lumberman, Haliburton — The need for this Community Centre is great and I am very much in favour of this project.

DONALD FINN
Lawyer, Haliburton and Minden — This is a great project. With a building of this kind available I would like to see a yearly Sportsmen's Show started in the County.

RON SISSON
Contractor, West Guilford — Because of the necessity of a Centre, particularly for the young people, I am much in favour.

REX BOICE
Motor Truck Dealer, Haliburton — I am in favour. The cost to the taxpayer will be insignificant in comparison to the good the new Centre will do for the whole Municipality.

WALTER BESSE
Merchant, Eagle Lake — This will be a good thing for the Municipality. Under proper management it should have no trouble paying its own way.

CARL SAWYER
Mechanic, West Guilford — I am strongly in favour of the new Centre. It will provide a wonderful opportunity for all our young people.

RON MUMFORD
Harcourt — I am 100% in favour of this project. This spur to development is a wonderful thing for the Municipality.

KEITH CARNOCHAN
Barber, Eagle Lake — This proposed new Centre will be a wonderful thing for the Municipality — particularly the young people.

FRANK HODGSON
Insurance and Real Estate, Haliburton — The addition of fine municipal recreational facilities will make the Municipality more attractive to industry and prospective home owners.

C. G. PEARCE
Cottage Owner, Kashagawigamog Lake — The new arena sounds like a wonderful idea to me. A more attractive place is certainly needed, particularly for Rotary Carnival.

Re Tweed Arena

Pictured above is the recently completed Community Centre Arena at Tweed, Ontario. Members of the Dysart Community Hall Board inspected this arena and were favourably impressed. Total cost of the Tweed project was approximately \$82,000.00, and the Arena does not have artificial ice. According to Tweed officials, excavating in rock formation cost them about \$5,000.00, an expense which we should not encounter. It would appear that a similar structure can be built on our present site for \$77,000.00 and with artificial ice plant already estimated at \$25,000.00, the total for all would amount to \$102,000.00 and therefore the Board based their estimate and request for funds on this amount.

Centennial Project

Every Community in Canada has been urged by the Canadian Government to set themselves some project to be completed by 1967 — the year Canada celebrates her 100th birthday. To promote and make it economically possible for communities to do so, the Governments have allocated generous funds for grants to worthwhile projects and have also set up other funds, which can be borrowed from over a long period of years at low interest.

What better or more suitable project could we in Dysart have than a new Arena and Community Centre to celebrate our 100th birthday? A Community Centre is a worthwhile project at any time. Under the present favourable conditions of generous grants and low cost loan, the proposal of the Community Hall Board should be enthusiastically accepted by the voters in Dysart.

Chairman's Remarks

For the past fifteen years I have been privileged to serve as a member or chairman of the Community Centre Board and time after time I have been asked the following question. "When are we going to get a decent arena?" The question is well put and I would like to give ten reasons why we need a new arena.

- (1) Present arena condemned.
- (2) Our old arena is much too cold for parents and spectators.
- (3) Washroom facilities are unspeakable; in fact they are not thawed out yet.
- (4) Ice surface too small for organized hockey.
- (5) The heating system which is comprised of two box stoves is dangerous to our children.
- (6) Dressing rooms not sufficient in quantity or size.
- (7) Booth not fit in which to prepare food and serve food to public.
- (8) The need in Haliburton of a recreation room for community activities is greatly in evidence.
- (9) Artificial ice will create a longer season.
- (10) Artificial ice will ensure schedules to be carried out regardless of weather conditions.

I feel that we have never been in a better position to obtain all these facilities due to the generous government grants being made this centennial year and hope that you will make our dream for a decent arena and recreation rooms for the young people of this area become a reality on Saturday by voting YES.

A. J. LARUE, Chairman,
Dysart Community
Centre Board.

Tweed Arena - Ice Surface

Financial Structure For New Arena

Recommended by Dysart Community Hall Board to spend \$110,000.00 for new Community Hall and Arena with Artificial Ice. The total of \$110,000.00 to be gathered together as follows:

Government grants and Forgiveness	30,300.00
Dysart Electric Light Commission	20,000.00
Donations from the Public	15,000.00
Loan from Municipal Works Program	44,700.00

TOTAL \$110,000.00

Eligibility of Voters

1. Money by-law limited to property owners only.
2. The owner of any property in Dysart ASSESSED for at least \$100.00 may vote.
3. Joint owners (i.e. man and wife) may both vote on property assessed at \$200.00 or more.
4. Voters are entitled to vote once in each Ward of the Municipality in which they own property.

Who Will It Serve

The old arena served a limited number of people due to its condition. Very little more than hockey and ice skating was possible and this was limited to a few winter months.

Even for the purpose of hockey and ice skating the new arena will serve a larger number of people if only because of the extended season permitted by artificial ice. Some of our older citizens will be relieved to know that the proposed new arena will permit watching hockey and other ice activities from the heated community room and in addition, proper wash room facilities will add to the convenience of all.

Facilities for extending the ice season as well as a cement floor will allow our summer residents to make use of the building.

How And How Much Each Taxpayer Pays

The Municipality of Dysart et al will borrow \$44,700.00 from the Province of Ontario at 5 3/8% interest repayable over 25 years. Yearly repayments will be equalized.

Based on the 1963 Assessment and 1964 Tax Roll this would mean the following increase in your Tax Bill for 1965.

If you now pay \$100.00 taxes your tax would go up to \$101.00.

If you now pay \$50.00 taxes your tax would increase by fifty cents to \$50.50.

Complementary To High School

A new Arena and Community Centre will be part of a welcome addition to the extracurricular activities of our School system and could generate school spirit through activities such as a High School hockey team competing with other high schools.

For What Purpose Will Our New Arena Be Used

For many the only use that our Arena and Community Centre suggests is hockey and ice skating.

The fact is that these represent only a part of the total use of our new Arena and Community Centre. The community room will give all of our youth organizations an interesting and comfortable place to meet. Rotary and Legion will have a wonderful place for their annual carnival and will not be inconvenienced by the dirt and dust of the old arena. The proposed cement floor will also permit a wide variety of activities including roller-skating, tennis, badminton, volley ball, etc.

DARLINGTON PROVINCIAL PARK OFFERS VARIETY OF WINTER ACTIVITIES
Skating facilities were avail-

able at Darlington Park, near Oshawa, for a total of 76 days during the 1963-64 winter.

Three large areas of Lake Ontario approximately 3,000 sq. ft. in area were kept free of snow and flooded periodically for the use of skaters and hockey players.

U shaped windbreaks were erected in the lee of which benches were placed for the convenience of skaters, and a warming bonfire was maintained.

Other park activities during the winter months included horse-back riding, horse and cutter outings, excursions on the various lightweight gas driven conveyances which are becoming so commonly used, and ice fishing.

The ice fishing though popular was characterized by generally poor results.

In all, 3,825 cars were counted entering the Park gates carrying almost 14,000 persons, proving that Provincial Parks can provide hours of fun for the people of Ontario the year round.

Life is an everlasting struggle to keep money coming in and teeth and hair from falling out.

Messrs. Harry Brohm, Ross Curry, Curry Whitaker and Scott LaRue attended the Junior hockey game in Lindsay last Wednesday night. Hespeler won it 4-3.

The Haliburton Rotary Club finished on top for attendance for the month of March. Arthur Groat of the Chapleau Club has been nominated to be District Governor for 1964-65.

Rev. Noel McNeill conducted a Rotary Information Quiz at a recent Haliburton Rotary Club meeting. June 7-11 will be the Rotary International Conference to be held this year in Toronto.

WHAT ABOUT THE OTHERS?

Another 13 per cent of the mentally retarded — another four out of every 30 — are moderately retarded. They are the "trainable". With proper training facilities and supervised "sheltered workshop" provisions they can become self-supporting to some degree. They can be trained to do much for themselves. One in 30 is severely retarded and generally needs hospitalization.

From this week's Haliburton Rotary bulletin comes the following joke. "A closed mouth gathers no feet". Old Timer: "One who remembers when the only difficulty about parking was getting the girl to agree to it".

There's still time to send in your contribution to the Easter Seal Campaign.

World Health Day was on April 7th this year, and the emphasis for 1964 was on tuberculosis, a disease that once was Canada's No. 1 killer, as it still is in many lands where there is neither the knowledge nor the facilities for wiping out this and many other contagious diseases. The World Health Organization, the idea of a Canadian doctor, is an agency of the United Nations. Its doctors and scientists have taken their skills and medicines to help make obsolete dreadful diseases that maim, blind or kill native people.

Students from the Haliburton County District High School appeared recently on CKVR's Teen Time.

The April meeting of Minden Women's Institute was held at the home of Mrs. William Moore with the president in the chair.

LINDSAY (ENS) — Laverne Greer of Coboconk recently was fined \$500 and costs and jailed for five days by Magistrate C. W. Guest for leaving the scene of an accident.

"Such incidents are becoming far too common," said the magistrate.

OPP Const. eJan Deslaurier said Greer was arrested April 4, soon after a car owned by Melville Jacobs, Haliburton, was struck while parked on the main street. Damage amounted to \$300.

Mr. Len Herron of Haliburton who is a very ardent fisherman caught a 10 lb. - 2 oz. lake trout in Soyer's Lake last Saturday.

Dr. H. E. Good showed slides of his recent trip to Europe at the Haliburton Rotary Club luncheon held last Thursday.

Mr. S. R. Pitts was elected chairman of the Ross Memorial Hospital board of governors last Thursday. Election took place prior to the regular monthly board meeting.

A Young People's Missionary Effort Rummage Sale - Home Baking this Friday, May 1st from 1:30 to 5 p.m.

LINDSAY (ENS) — The practice of permitting cattle to range through a woodlot for shade and pasture is unsound from both an agricultural and forestry standpoint, says District Forester Arthur Walroth.

Writing in this week's lands and forests department bulletin, Mr. Walroth says that experi-

ments conducted by various agricultural departments have shown that one acre of improved pasture provides more than 10 times as much feed as one acre of woodland.

Cattle grazing in a woodlot do a certain amount of browsing as well, and this results in the less desirable hardwood species becoming dominant, says Mr. Walroth.

However, physical damage to a grazed woodlot is not confined to browsed trees. Damage to the surface roots of large trees creates a point of entry for disease.

The regular meeting of the Somerville Council was called to order on Tuesday, April 7th in the Municipal Hall, Kinmount with Reeve Gardie Gransden in the chair. Deputy Reeve Boyd Austin, Councillors Chester Godwin, Maurice Watson and Harold Chynoweth present. A letter from the road overseer was read requesting a raise in wages for himself and his helper, Joe Schell. On a carried motion by Watson and Chynoweth, that the road overseer be paid at the rate of \$1.65 per hour and that Joe Schell receive \$1.35 per hour subject to the approval of the municipal engineer.

SUGAR and SPICE

By Bill Smiley

What would you like to find, most, when you go to heaven? Let's assume, for one wild, exhilarated moment, that we're all going to get there.

Some people would plump for a meeting with loved ones. This I can never understand. It's like a fellow who has served a life sentence waiting to be greeted by the warden when he hits the pearly gates.

Others, sad souls, would be overjoyed if they could "just be happy." Not me. Being happy all the time would be a real drag. I thoroughly enjoy being miserable on this orb, so that when something good happens, my pleasure is intensified.

Quite a few, who suffer from physical ailments, would be satisfied with peace and comfort. The insomniac imagines days and nights of solid slumber. The arthritic dreams of being able to scratch his opposite ear without feeling as though his arm was being severed at the shoulder by a red-hot iron.

Flat-chested girls would settle for a mammoth bosom. They forget that none of the rest of us would be interested.

Some chaps I know would be perfectly happy to leave anytime if they could count on a golf course with emerald fairways and velvet greens, 18 holes a day in which they sliced not, nor did they hook, and a good game of poker at the 19th, with the bar handy.

Many sober citizens I know would be happy in heaven for even afterwards, if they could be guaranteed (and get it in writing) that their wives (or husbands) would be in the other place, permanently.

Alcoholics would not only be in heaven, but the seventh of the same name, if their crotch ranneth over, perpetually, and somebody else was looking after things.

A few millionaires, once they had admitted they couldn't take it with them, would be serene in a place where there were no taxes, no labor movements, no

wages to pay, and nobody asking them to donate to something every 12 minutes.

My personal fantasy is a simple one. I'd go like a shot if someone would promise me, unconditionally, a dark, swirling trout stream, impregnable to invasion by women, telephones and other nuisances.

I can see it now. Swift, deep, crooked, ending in a vast, silent, mysterious beaver pond, loaded with lunkers. I can hear it: the exciting mutter of a small dam just around the bend; the splash of a startled frog; the sudden heart-stopping take-off of a disturbed partridge, the whack of a beaver tail.

However, since my chances of getting to heaven are just about as slim as my chances of a personal trout stream if I did get there, I guess I'll settle, on Opening Day, for my old haunt, the Secret Place Where The Big Ones Are. Not a soul knows about it, except me. And the 900 noisy characters who have heard about it since last year.

Heaven, thou art distant, yet, I would work like heck to get there, if thou could condone A stream for me—and me alone.

OBITUARY

The death occurred in Whitby on Monday, April 13th, 1964 of Myrtle Robertson in her 72nd year.

The late Mrs. Robertson was born in Minden Township on December 28th, 1892. She was the daughter of the late Wm. George Archer and his wife, Emma Hobden.

On June 11th, 1913, she married Erastus Robertson of Minden and they lived on a farm in the Minden area until 1946. They then built a home near Minden where they resided until Mrs. Robertson's illness. They celebrated their fiftieth wedding anniversary at their home last year.

Mrs. Robertson was a member of Bethel United Church and a member of the L.O.B.A. No. 1151 Minden. The members of the L.O.B.A. conducted a service at the funeral home on Wednesday evening, April 15th.

Left to mourn the loss of a loving wife and Mother is her sorrowing husband, Erastus Robertson, three daughters and two sons, Mrs. Raymond Gostlin (Hazel) of Norland, Mrs. Alfred Walker (Verna) of Bowmanville, Mrs. Sinclair (Gladys) of Lindsay, Maxwell of Bowmanville, and Melvin of Minden. Also seventeen grandchildren and eight great grandchildren.

Three brothers and two sisters also survive: Wilbert of Blackstock, Elmo of Janetville, Violet (Mrs. Wilfred Aldred) and Edward of Oshawa, and Rose (Mrs. Clarence Stevens) of Lindsay. One brother Vance and one sister Inice predeceased.

The floral tributes were many and beautiful showing the high esteem which Mrs. Robertson was held. The funeral on April 16th was from the United Church, Minden, with her pastor, Rev. David Staples conducting the service. The Church was filled to capacity with friends and neighbours from far and near. Interment was in Minden Cemetery.

The pallbearers were five grandsons and one grandson-in-law, Marvin, Loyne, Murray Walker, Aubrey Gostlin, Douglas Robertson and Leo Bryant.

Those from a distance attending the funeral were Mr. and Mrs. Lionel McCracken, Grant and Sharon, Niagara Falls, Ont.; Mr. and Mrs. Bernie Boldt and Wm. Boldt of Midland; Mrs. Leslie Boston, Toronto; Mr. and Mrs. Leo Bryant, Whitby; Mr. and Mrs. Loyne Walker and Mr. and Mrs. Marvin Walker, Oshawa; Murray Walker, Peterborough; Mr. Vincent Archer, Bowmanville; Mr. Elmer Archer and daughter, Whitby; Mr. and Mrs. Elmo Archer, Janetville; Mr. Wilbert Archer, Blackstock; Mr. and Mrs. Reg Hie, Stouffville; Mr. and Mrs. Clarence Stevens, Lindsay; Mr. and Mrs. Bert Perry, Mrs. Everette Fountain, Mrs. A. N. Winterburn, Mrs. Alice Puterbaugh, Mrs. Mary Nesbitt, Mrs. Jennie Quinn and Mrs. Andy Gillespie, all of Norland.

Minden Women's Institute

The annual meeting of Minden's Women's Institute met on Wednesday evening, April 15th at the home of Mrs. Wm. Moore. 25 members answered the roll call by payment of Fees. The President Mrs. McArthur and all executives present. After opening exercises, Mr. Brubacher spoke at length on the Retarded Children's problems in Haliburton County and won the sympathy of his listeners.

The Treasurer's Report showed total receipts \$425.20, balance on hand \$55.89. The year has been most enjoyable to all. We had a Bus trip to Barrie and Pioneer Village.

Two new life members, Mrs. James Graham and Mrs. Fred Wright received certificates and pins from the Branch.

Many worthwhile causes were supported. The Sick and Flower Convener, Mrs. Holly Stevens, reported the year's expenditure at \$52.64.

The last Card Party was to be held on Monday evening, the 20th, at the home of Mrs. Fred Wright.

The District Annual of East

Victoria, including 13 branches will gather for Convention on May 14th at St. Paul's in Minden.

The slate of officers of 1963 was unanimously returned.

IN MEMORIAM

RAE — In loving memory of a dear father, Jack Rae, who passed away May 3, 1963. One year has passed, dear father, Since you were called away; How well do we remember That sad and weary day. You suffered much, you murmured not, We watched you day by day; We cried and prayed that your dear life Would not be taken away.

Sadly missed and always remembered by Grant and Doreen.

RAE — In loving memory of a dear husband and father, Jack, who passed away May 3, 1963.

In tears we saw you sinking, We watched you fade away; Our hearts were almost broken, You fought so hard to stay. But when we saw you sleeping, So peacefully free from pain; We could not wish you back, To suffer that again. —Sadly missed by wife Verna and daughter Daneen.

SMITH — In loving memory of our father, Allen Smith, who passed away May 3, 1963. He was a wonderful Father, He played out life's battles square;

No matter when we needed him We always found him there. So on this day our hearts go out To the dearest and best of Fathers;

Who never had time to think of himself, But always thought of others. —Lovingly remembered by son Bert, daughter-in-law Gwen and Granddaughter Kim.

SMITH — In loving memory of a dear Father, Allen Smith, who passed away May 3, 1963. We do not need a special day, To bring you to our mind; For the days we do not think of you, Are very hard to find.

If all the world were ours to give, We'd give it, yes and more, To see your sweet face, dear Dad Come smiling at the door.

—Sadly missed and ever remembered by daughter Audrey, son-in-law Wess, Grandchildren Murray, Paul, Ruth, David and Bobby.

SMITH — In loving memory of Allen Smith, who passed away suddenly on May 3, 1963.

God knew that he was suffering, That the hills were hard to climb; So he closed his weary eyelids, And whispered, "Peace be thine".

Away in the beautiful hills of God, By the valley so fair; Some day, I know not when, We will meet our loved one there.

—Sadly missed by his wife Frances and Family.

WEBB — In loving memory of a dear husband and father Austin Webb, who passed away May 1, 1955.

Just a thought of sweet remembrance, Just a memory fond and true; Just a token of affection, And a heartache still for you.

More each day we miss you, Though our thoughts are not revealed, Little do they know the sorrow, That is within our hearts concealed.

—Sadly missed by wife Addie and Family.

IN MEMORIAM

BLAIR — In loving memory of our dear Father, Everett, who passed away May 1, 1953.

Every day in some small way, Memories of you come our way; Though absent, you are ever near, Still missed, loved, always dear.

—Always remembered by De-lores, Glen, Beryl and Jim.

SAVORY — In loving memory of Margaret Clarke, who passed away April 23, 1960.

Somewhere beyond the shadows Dwells a dear sister of ours, Whom we looked on as a treasure, Whom we cherished as divine. But God called the one we loved away.

Forget you, Margaret, we never will, As years roll on we miss you still.

The blow was great, the shock severe, We little thought the end was near.

Only those who have lost can tell, How sad is parting and no fare-well.

But God in goodness, comforts us To bear our bitter cross; He is the only one who knows How heavy is our loss.

—Ever remembered by Sisters and Brothers.

Lindsay Lions Lose 3-1 Despite 51 Shots On Goal

HESPELER (Staff) — Failure of Lindsay Lions to take advantage of myriad goal-scoring opportunities cost them dearly in last Friday's game here. They lost 3-1.

Hespeler Shamrocks now lead the best of seven Ontario Junior 'C' hockey final 3-1. The teams were to be in action on Monday at Lindsay, and if a sixth game is necessary it was to be played on Wednesday at Hespeler. A seventh would be played at Lindsay on Friday.

Lions rained 51 shots on goaltender Gordon Becker, while Wayne Jackett was called upon to make only 29 saves.

Over-anxiety in front of the net and some amazing near misses kept the Lindsay score to one goal. Robert Taylor of Little Britain notched the Lions' only market at 13:53 of the middle frame.

EARLY LEAD

Shamrocks' marksmen were Robert Kitzman, Edward Butler and Thomas Graham. The Hespeler team led 1-0 at the end of the first period and entering the final stanza the teams were deadlocked 1-1. Hespeler scored their other goals at 18:40 and 19:30 of the last period.

David Tucker, star of the

Hespeler attack, tested Jackett straight from the opening face-off, but the Lindsay netminder came up with a good save. For the rest of the period it was all Lindsay, as they peppered the Hespeler goal with 14 shots. The Shamrocks managed only five shots on the Lindsay net.

Lindsay outshot their opponents 22-11 in the second period.

It was obvious that the Lions were really fired up for the game, as they displayed a brand of hockey they have not shown since the Aurora series.

The Men's Club A winners prize presented by Jack Eastwood went to Hal Burton and his rink of Harry Campbell, Wally Cook and Cec Yearwood.

The Men's Club B winners prize was presented by Mark Vasey to a rink skiped by Bernie Trepanier, Eldon Deacon vice, Jack Johnston second, and Grant Hewitt lead.

The Ladies' 3rd prize was won by Edith Coneybeare and her rink of Shirley Bush, Pauline Lahay, Marj Jackson - Isabelle Austin. The prize was presented by Mrs. Garnet Lytle.

The presentation of the Mixed Curling Club winners of the Crest Hardware prize was made by Walt Wideman. The winning rink was made up of Mr. and Mrs. Percy Brintnell and Mr. and Mrs. Harry Garner.

Pat Campbell and her rink also won the Ladies' 2nd prize in the play-offs.

SPORTS FLASH

Hespeler won the Junior 'C' O.H.A. championship in Lindsay on Monday night when they defeated the Lindsay Lions. Hespeler won the best of seven series 4 games to 1.

Curling Club Elect Executive

The following will make up the 1964-65 Minden Men's Curling Club executive:

Garnet Lytle, president; Jack Eastwood, Vice President; Mark Vasey, Secretary-Treasurer. All three were returned by acclamation.

Art Hodgkinson and Doug McGee have been added to the Board of Directors.

Jack Eastwood was made Chairman of the Bonspiel Committee.

Bernie Trepanier was appointed as a Membership Committee.

Notice of Application

BY
THE CORPORATION OF THE TOWNSHIP OF
LUTTERWORTH TO DISPENSE WITH A VOTE
OF THE ELECTORS

TAKE NOTICE THAT:

1. The Council of The Corporation of the Township of Lutterworth intends to apply to The Ontario Municipal Board for approval of the construction of a Municipal building at an estimated cost of \$13,000.00 payable \$4,500.00 in each of the years 1965 and 1966, and \$4,000.00 in the year 1967, out of current revenue.

2. Applications will be made to The Ontario Municipal Board for an order to dispense with the assent of the electors and for approval of the said undertaking. Any ratepayer may, within twenty-one days after the first publication of this notice send by post prepaid to the Clerk of the Township of Lutterworth at the address given below a notice in writing stating his objection to such approval and the grounds of such objection.

3. The Ontario Municipal Board may order pursuant to the statute that the assent of the electors shall not be required and may approve of the said undertaking, but before doing so it may appoint a time and place for a public hearing when any objections will be considered.

DATED at the Township of Lutterworth this 24th day of April, 1964.

JOHN HOUNSELL, Clerk,
Box 67, Minden, Ont.

EAGLE LAKE

World Health Day

"NO TRUCE FOR TUBERCULOSIS"

Just so we start with our feet on the ground, I wonder how many remember the topic of World Health Day last year?

All right, not too many. Now you know how much impact World Health Day last year had on you. And probably your friends and neighbours were no more aware of it than you were.

Well, unless we get on with the job of making use of this opportunity to acquaint the public with the facts of life about tuberculosis, the average Canadian is not going to learn any more about what needs to be done about tuberculosis and what can be done, than your learned about Hunger — the Disease of Millions.

WHAT IS WORLD HEALTH DAY?

World Health Day, observed each year on the 7th of April marks the anniversary of the coming into force of the Constitution of the World Health Organization in 1948. The theme chosen for 1964 was "No Truce for Tuberculosis", and the object of World Health Day was to warn governments and people about the continuing widespread dangers from tuberculosis and tell them what modern control methods can do to combat this ever-present scourge.

We court disaster if we think we can ignore what happens to the human race. Anyone can see that with 15 million people suffering from tuberculosis, an infectious disease in today's world, there is no isolating it. Not only will some of them come to us but we go to them.

Canadians are not sealed off from the rest of the world. There are roughly 1,000 trainees in Canada from the underdeveloped countries... those countries where 70 per cent of the children are tuberculin positive by the time they are 14. These trainees are here on some arrangement between their government and ours.

That isn't all. Canadians are not staying at home. Some may think that they all go to Florida and California, they don't. You don't need a passport to go to the States. The 70,000 passport a year issued by our passport office are for Canadians to go to other places. They are not all going to the Scandinavian countries or Holland where TB rates are about comparable with ours. A goodly number of them are in undeveloped countries working on educational or technical assistance programmes right now. We have no idea how many Canadians are in these countries as employees of embassies, oil companies, exporting, mining, etc.

A conservative estimate of today's global tuberculosis picture made by WHO experts, is as follows: a pool of 10-15 million infectious cases, which is augmented each year by 2-3 million new cases and depleted by 1-2 million deaths.

Tuberculosis is a disease of the poor, but also the rich. It is too often forgotten that tuberculosis is a contagious disease.

Garnet Lytle Praised

(Continued from Page One)

Shirley Bush told the large gathering that she had enjoyed being president of the Ladies' Curling Club and she thanked all those who had helped her with her duties throughout the season. Mrs. Bush then had the privilege of presenting Mrs. Minto with a scroll and pin as a token of gratitude for the many hours of work she had done all season long at the Minden Curling rink. Mrs. Minto was also presented with an honorary life membership.

Jack Eastwood, another hard worker for the Minden Curling Club was the next speaker, who explained that at the beginning of the year they were faced with many problems with their artificial ice plant and went on to say that Garnet Lytle had put in many hours of blood, sweat and tears to insure the Club of good curling ice. He went on to say that no one had any idea of the time and work that Garnet had given to the Club and all the time without remuneration. To show their appreciation everyone present gave Garnet a terrific round of applause. Jack Eastwood then presented Mr. Lytle with a cheque for his caretaking duties. Garnet then thanked them for the cheque and in turn handed it back to be placed in the treasury to help make it a bigger and better club in 1965.

Following the presentation of the various trophies the crowd then moved from the banquet tables to another room for a 15-minute sing song led by Percy Brintnell and Grace Curnburn with Slim Brandon at the piano. Mr. Brandon followed the sing song with several delightful numbers on the piano.

Following the sing song the gathering was treated to an hour of live entertainment put on by members of the club. The first half included the Beatles, who had the girls screaming with their musical numbers. The second half featured an act and story about a girl named Zelda, portrayed by Percy Brintnell, who was looking for a husband. Other members of the act included Max Jackson, Art Hodgkinson, Earl Bush and Allan Coneybeare. The men dressed as women and kept the large audience in laughs from start to finish. The evening ended with dancing. This banquet was well organized and was a great success.

services. If there is not a charge guests usually tend to misuse the equipment and thus an ill feeling is caused. The nominal charge will be in effect during the slack hours.

If there are any questions that anyone has that they would like us to answer we would be more than happy to do so. They can drop the questions off at the "Echo" office and you can forward them to us, or we could see the people themselves the next time we are in Haliburton.

Again we would like to thank everyone and we are looking forward to time when we will be part of the community.

Sincerely yours,
